If you are experiencing a mental health crisis, please contact your local emergency services or a mental health professional. If you are not, please contact your local mental health services.	If you frequently do you self-harm?	did you ever with the current mental health condition?	Have the areas of access to the support system (mental wellness system)	not support systems help in reducing academic stress, student issues, social issues, depression, anxiety, etc.	Is there a digital mental health support for students? (Being able to do so without going)	do you see a digital mental health support system? Do you face what using existing medical facilities would you like to see in a student mental health system that we can make this system more beneficial and user-friendly?
